

PROFESSIONAL SERVICES ENDORSEMENT FOR AGENCY CONSTRUCTION MANAGERS

It is agreed that the term **Professional Services** shall include those Professional Services listed in Definition **S, Section III. Definitions** of the Certificate and as set forth in Item 4 of the Declarations of this Certificate. It is further agreed that the Professional Services set forth in Item 4 of the Declarations of this Certificate means:

1. Design and engineering services.
2. Planning for the mechanical and electrical phases of construction as a consultant or advisor to the Owner or Architect-Engineer.
3. Reviewing plans and specifications and offering advice and making recommendations with respect to construction feasibility, time requirements for procurement, construction availability of materials and labor and possible economies in construction.
4. Supervisory, inspection or review services performed by the **Named Insured** for the Architect-Engineer or Owner.
5. Awarding of contracts to others on behalf of the Owner.
6. Scheduling or coordination operations.

It is further agreed that this Endorsement extends coverage for:

1. The **Insured's** liability for injuries to workmen of others.
2. The **Insured's** liability to the public for work performed by the **Named Insured** or on behalf of the **Named Insured**.

provided always that the **Claim** seeking to impose such liability upon the **Insured** arises solely out of those Professional Services listed in Definition **S, Section III. Definitions** of the Certificate or the **Named Insured's Professional Services** listed in Items 1-6 in this Endorsement.

All other terms and conditions of the Certificate remain unchanged.
